Core Aims

Represent supporters & help to make your voice heard
Maintain links with the local community
Raise significant funds for the Football Club

General Benefits of Membership

You become a member of an independent Bristol City fans group set up by City supporters and exclusively for City supporters

The more members we have, the more powerful our voice and the better able we are to achieve our aims

As a member of the Supporters Trust, you can rightfully call yourself a part-owner of Bristol City Football Club

You will be contributing to an organisation that aims to purchase sufficient shares to justify a representative of the fans being a full member of the Bristol City board

If you already own shares in Bristol City Football Club, you can assign your voting rights to the Trust to make the collective voice of the fans even more powerful

The current Club board lets us specify how the money we raise for share purchases is utilised, thus ensuring it goes towards projects agreed by you and other fans (at present, this is the John Atyeo statue)

You become part of an organisation that helps bring the fan community together.

You will be helping to build an organisation whose sole aim is the success of Bristol City Football Club.

Lifetime

There are a variety of options for supporters to become lifetime members. Please contact us for further details.

Get Involved

The best way to get involved is to come along to our monthly meetings which are open to all City supporters even if you're not a member yet! If you're not able to get to meetings just get in touch. All our work is carried out by volunteers so there are a wide range of activities that you can get involved in.

Shares

If you hold shares in Bristol City Holdings Ltd. you may wish to consider giving proxy voting rights to BCST. This helps the collective votes of minority shareholding supporters have a bigger influence when shareholder votes are taken for key decision making. Please contact us if you would like more information on this.

Share Fund

Monies in excess of £2.50 per month or £30 per year donated by Gold members go into a Share Fund and are used by the Trust exclusively to purchase shares in the football club. Please see www.bristolcityst.org.uk or contact us if you require more details.
